VI. USTOA TRAVELERS ASSISTANCE PROGRAM

Background Information

Since April 1, 1976 the Active Members (Tour Wholesalers) of the United States Tour Operators Association have maintained a Travelers Assistance Program. As an initial interim step it took the form of a special fund established by cash contributions from each Member. After June, 1976, optional individual bonding arrangements providing equivalent protection for a Member's own clients and customers were permitted and transition in to a complete plan of individual bonding to replace the special fund was commenced in late 1997.

Active Members are required to maintain individual irrevocable bank letter of credit, bond or U.S. Treasury Bill in the amount of One Million Dollars (\$1,000,000.00).

Purpose of Program

USTOA, from its inception, has reflected the seriousness with which its membership regards financial responsibility and reliability as essential in wholesale tour operations. Originally, the joint fund and now the every-member irrevocable bank letter of credit, bond, or U.S. Treasury Bill have the effect of establishing financial resources exclusively for protecting retail agents and clients from loss of tour deposits and payments in event of financial failure of an Active Member or its Brands of USTOA. The effect of the program also emphasizes to every eligible Tour Wholesaler, which desire to gain or retain membership in USTOA, necessity for maintaining its own financial soundness and not causing financial embarrassment to itself, to USTOA or to the travel industry.

Requirement and Procedures

The USTOA approved form of irrevocable bank letter of credit, bond or U.S. Treasury Bill names the "United States Tour Operators Association Inc. Tour Depositors Trust" as the obligee, beneficiary or owner, as the case may be, so that, in the event of bankruptcy or insolvency or cessation of business or failure to refund deposits for cancelled tours, funds will be available to the Trust, for reimbursing that Member's tour purchasers and depositors and must cover all brands and affiliates that participate in the plan. The One Million Dollar (\$1,000,000.00) minimum is required irrespective of, and in excess to, any other such protection, whether by bond escrow fund, insurance or other suretyship and whether voluntarily maintained or required by government, carrier conference, trade association or other entity.
