

Coronavirus (COVID-19) Resources for USTOA Members

USTOA has been closely monitoring the Coronavirus (COVID-19) outbreak and its impact on both our nation and our industry as a whole. The outbreak of COVID-19 has had a significant impact on Americans' ability to travel to certain parts of the world and their ability to return back to the United States from those same parts of the world.

We are gathering intelligence in Washington, DC on a daily basis and will continue to share that information with you all. Below, you will find a list of some of the most helpful resources as we all get through this difficult time together:
